

MASTERBUILT HERITAGE

THE HERITAGE is a formal side entry fibreglass swimming pool for any backyard, no matter how limited the space might be. It is great for outdoor family fun or adult chill out time. Suitable for all requirements and available in four sizes. The 7.0m and 8.0m lengths are 4.0m wide and the 9.0m and 10.0m lengths are 4.2m wide. The Heritage fibreglass swimming pool range features a long bench down the side of the pool and steps situated in the centre. This innovative design of fibreglass swimming pool gives you the maximum amount of room for swimming laps if you want to keep fit, but also provides easy access for all members of the family to hop in and out of the pool on a hot sunny day. Heritage fibreglass swimming pools are great for family fun or adult relaxation. Whether you are looking for a side entry swimming pool design for the kids to play in or a place to entertain guests, make sure you choose one of our Heritage swimming pool range to enhance your outdoor living space and take summer fun to a whole new level of enjoyment.
