

MASTERBUILT NIRVANA

THE NIRVANA range of fibreglass swimming pools is a great choice for any one seeking a small compact plunge pool for their outdoor living space. Available in four different lengths. 4.5m, 5.5m, 6.5m and 7.5m, the Nirvana is 3.0m wide and has a constant depth of 1.7m, which makes it perfect for jumping into on a hot summers day. The Nirvana has a bench seat along the side of the pool and at each end with steps built in the centre. Plunge pools are ideal for cooling off during the sweltering summer months. You can spend time soaking up the sun or just sink into the cool water of your Nirvana fibreglass swimming pool and relax. Upmarket and fun, the Nirvana range of fibreglass swimming pools is an ideal choice for those seeking a small and perfectly designed plunge pool to enhance their outdoor living space. Small enough to cool you off, yet large enough to entertain guests. Don't settle for anything less when you can enjoy this top quality design. Nothing but the best.
